

# CONDITIONAL ADMISSIONS TO SBGE

---

Seattle Pacific University's School of Business, Government, and Economics (<http://spu.edu/academics/school-of-business-and-economics/graduate-programs/>) offers conditional admission to international students who meet our academic and minimum one-year work experience requirements but do not yet meet our English proficiency requirements and/or do not yet have GMAT (Graduate Management Admission Test) scores.

You may request conditional admission, (<http://spu.edu/academics/school-of-business-and-economics/graduate-programs/conditional-admission-request-form/>) and may receive a Conditional Letter of Admission from SPU if conditional admission is granted. Conditional admission assures that you will be considered for admission if all admission requirements are fully met at the time of intended enrollment.

Conditional Admission is valid for one year from the date of application, and may make it possible for you to pursue scholarships or sponsorship from your home country's government.
