The College of Arts and Sciences (CAS) at Seattle Pacific University offers a graduate-level certificate program and undergraduate majors and minors in 16 different disciplines.

You'll learn from professors who will both guide and inspire you. You'll cultivate skills in critical thinking and problem solving; you'll expand your ability to write and speak clearly; and you'll discover how these skills help grow your faith as you seek to make a positive difference in the world.

In a graduate program from Seattle Pacific University, you'll learn from faculty who will both guide and inspire you as you strive to reach your educational and vocational goals.
