## Program Description

The Ministerial Leadership Certificate program is designed to provide you with the basic tools to be a faithful and effective church leader. The certificate is designed for laypeople who serve in ministerial settings as well as for those who already have a master's degree in theology but are seeking deeper training in church administration, ministerial leadership, or designing Christian worship. The certificate can be completed in one year, but students are invited to move through the program at a pace that works for them.
