

EARLY ENROLLMENT AT SPU

Qualified students may enroll at SPU prior to completing all required units in high school. Only those students highly recommended for Early Admission will be considered. Such students should rank among the top students in their class. SAT/ACT test scores, if available, will also be considered¹.

Requirements include evidence of completion of junior year in high school, outstanding high school record (and test scores, if available), along with a letter of recommendation from the high school principal approving early college admission and concurrent high school completion.

Evidence of high school completion (high school transcript with graduation date or GED) is required in order to receive financial aid. Contact Undergraduate Admissions for details.

1

SPU is test-optional for the 2024–25 academic year.
