

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

If you have completed CLEP exams with minimum scores in the 50th percentile (C grade range), you may be eligible to receive five quarter credits for each exam. If you are interested in receiving credit for a CLEP exam, have an official score report sent to SPU directly from the testing program.

SPU does not award credit for all CLEP exams. An up-to-date listing of credit offered for CLEP tests is available on the Transfer Equivalency Guide (<http://spu.edu/administration/office-of-the-registrar/transfer-equivalency-guide/>).

Combined credit for all test programs and 13th year advanced standing cannot exceed 45 quarter credits.
