

BUSINESS ADMINISTRATION: GENERAL TRACK (BA)

Program Description

This program develops a general management outlook toward organizations and the changing environment they face. A General concentration allows students the flexibility to choose their own junior and/or senior electives.

New Majors Onboarding

All newly admitted majors must attend this onboarding as an introduction to the College of Business and Technology. Please make note that there are no substitutions for this degree requirement.

Entering and Completing the Major

Formal application and admission to the Business Administration major is required prior to enrollment in most Upper Division courses.

- To meet the minimum requirements for admission, you must:
 - Have attained at least sophomore standing (45 or more college credits).
 - Complete at least 15 credits in BUS, ACCT, and ECN at SPU (10 credits for transfer juniors and seniors).
 - Have either a 2.50 cumulative GPA and 2.50 major GPA at SPU, or a 3.0 major GPA. Major GPA does not include transfer work, only courses completed in program at SPU. Attainment of the minimum GPA standards does not guarantee admission, as the total number of students admitted is limited by capacity.
- Submit an online major application by following these instructions (<https://spu.atlassian.net/!cp/U0VVQASf>) by Friday of the third week of Autumn, Winter, or Spring quarter, before 5:00 p.m. PST. CBT does not accept major applications outside this window.
- Decisions will be sent to applicants via their SPU email address by Friday of the fifth week of the term, before 5:00 p.m. PST. All applicants should be prepared to meet with their faculty advisor in case they are denied admission. All students are eligible to apply to this major up to three times.
- The University requires a grade of C- or better in all classes that apply to a major or minor; however, programs may require higher minimum grades in specific courses. You may repeat an SPU course only once for a higher grade.
- To advance in this program, you should meet with your faculty advisor regularly to discuss your grades, course progression, and other indicators of satisfactory academic progress. If your grades or other factors indicate that you may not be able to successfully complete the major, your faculty advisor can work with you to explore options, which may include choosing a different major.
- You must complete the major requirements in effect in the SPU Undergraduate Catalog for the year of admittance to the major.

Suggested Course Sequence

This is a sample schedule of sequencing for the Business Administration Major. There is a bit of flexibility in class placement in your first 2 years as you navigate through the University's Common and Exploratory Curriculum, and Business Core. Watch years 3 and 4 closely if you are pursuing a concentration. These elective courses are offered just once a year and often build upon each other.
