Future Teachers

If you are interested in teaching History or Social Studies at the middle school to high school level, you should plan to complete the History (BA) or Political Science (BA) major along with the Secondary Certification (https://catalog.spu.edu/undergraduate/college-schools/hea-education/certifications/secondary-certification/) program through the Division of Education. This program leads to an endorsement in History and/or Social Studies for grades 5-12.

Students endorsing in Social Studies are also required to complete additional coursework in Economics and Political Science. These additional courses are not required for students endorsing in History only.

Contact the Certification Office (soe-cert@spu.edu) for complete information on the certification program.
