

ACCOUNTING MINOR

Program Description

An accounting minor greatly compliments the skills developed in almost all business disciplines and allows non-accounting majors to broaden their education at SPU. The knowledge gained through this minor can be applied to many career paths — those directly related to accounting and finance as well as careers in other settings including corporate, small business, and not-for-profit organizations.

Entering and Completing the Minor

- You are required to make a formal application to this minor (<https://spu.atlassian.net/l/cp/BouzurWz/>), which you may do at any time during the year.
- Acceptance is based upon a minimum Cumulative 2.50 GPA, completion of 5 credits in the minor with a 2.50 GPA, a minimum of 45 quarter credits of coursework complete (sophomore standing), and formal admittance to your primary major.
- The University requires a grade of C- or better in all classes that apply to a major or minor; however, programs may require higher minimum grades in specific courses. You may repeat an SPU course only once for a higher grade.
- To advance in this program, you should meet with your faculty advisor regularly to discuss your grades, course progression, and other indicators of satisfactory academic progress. If your grades or other factors indicate that you may not be able to successfully complete the minor, your faculty advisor can work with you to explore options.
- You must complete the minor requirements in effect in the SPU Undergraduate Catalog for the year of admittance to the minor.
- This minor is not available to students majoring in Accounting.

Accounting Minor

30 Credits Minimum, Including 15 Upper Division (UD)
