

SUSTAINABLE MANAGEMENT MINOR: PEOPLE, PLANET, AND PRODUCTIVITY

Program Description

This minor is open to students in majors across campus who wish to more thoroughly understand sustainability and the topics included in the United Nations sustainable development goals (SDGs).

Entering and Completing the Minor

- You are required to make a formal application to this minor (<https://spu.atlassian.net/l/cp/mSDPkFSZ/>), (<http://spu.edu/academics/school-of-business-and-economics/undergraduate-programs/applying-to-major-minor/minor-application-form/>) which you may do at any time during the year.
- Acceptance is based upon a minimum Cumulative 2.50 GPA, completion of 5 credits in the minor with a 2.50 GPA, a minimum of 45 quarter credits of coursework complete (sophomore standing), and formal admittance to your primary major.
- The University requires a grade of C- or better in all classes that apply to a major or minor; however, programs may require higher minimum grades in specific courses. You may repeat an SPU course only once for a higher grade.
- To advance in this program, meet with your faculty advisor regularly to discuss your grades, course progression, and other indicators of satisfactory academic progress. If your grades or other factors indicate that you may not be able to successfully complete the minor, your faculty advisor can work with you to explore options.
- You must complete the minor requirements in effect in the SPU Undergraduate Catalog for the year of admittance to the minor.
- This minor is also available to students majoring in a business degree.

Sustainable Management Minor: People, Planet, and Productivity

30 Credits Minimum, Including 15 Upper Division (UD)

Code	Title	Credits
Sustainable Management Core		
BUS 2330	Introduction to Sustainable Management	5
BUS 3330	Climate Change Action	5
BUS 4330	Sustainable Innovation	5
Section Credits Required		15
People		5
Complete at least 5 credits from:		
BIO 3898	Women in Science	
BUS 3600	Gender and Leadership	
BUS 4661	Special Topics in Management ¹	
ECN 4010	Health Economics
