SPECIAL EDUCATION: EDUCATIONAL MINISTRY EMPHASIS (BA)

Program Description

Students in this track benefit from a partnership with the School of Education and SPU's School of Theology (http://spu.edu/academics/school-of-theology/). Coursework from both programs provides you with a foundation in both disability studies and educational ministry. When you graduate from this program, you are prepared to address issues regarding individuals with disabilities in church and parachurch organizations. Internship/practicum requirements for this emphasis provide graduates with methods to foster inclusion of all individuals in worship and church life.

Entering and Completing the Major

In order to earn a degree, you must complete at least one academic major. SPU encourages students to explore various academic paths, so if you change your mind about a major, or want to include an additional program, you are able to do so, as outlined below.

Note that the University encourages you to enter your chosen major(s) as soon as you have determined it and are eligible to join it, especially by the start of your junior year. Students who transfer as juniors and seniors should enter a major within their first two quarters at SPU.

- If this is your first quarter at SPU and you identified a major in this department as your first choice on your application for admission to the University, you have gained entry to the major. To change or add a major, follow these instructions (https://spu.atlassian.net/l/cp/a3th1keb/).
- If you are an SPU student with an SPU cumulative GPA of 2.0 or better, follow these instructions (https://spu.atlassian.net/l/cp/a3th1keb/) to enter a major in this department.
- The University requires a grade of C- or better in all classes that apply to a major; however, programs may require higher minimum grades in specific courses. You may repeat an SPU course only once for a higher grade.
- To advance in this program, meet with your faculty advisor regularly
 to discuss your grades, course progression, and other indicators
 of satisfactory academic progress. If your grades or other factors
 indicate that you may not be able to successfully complete the major
 or minor, your faculty advisor can work with you to explore options,
 which may include choosing a different major.
- You must complete the major requirements that are in effect in the SPU Undergraduate Catalog for the year you enter the major.

The major will fulfill WKSS and CUE requirements. Be sure to fulfill Foreign Language, W, Common Curriculum (UCOL, WRI, UCOR and UFDN), and remaining Exploratory Curriculum Requirements (WE, WKA, WKH, WKFS, WKAS, and WKQR). This major permits a minor and is highly recommended.
