

JOURNALISM (JRN)

JRN 1000 Fundamentals of Digital and Online Media (5 Credits)

Media are changing rapidly and the study of the relationship between society and communication technologies, as well as between culture and communication is foundational for today's communication majors. These relationships are best approached in a course that not only tackles the literature of these changes, but requires students to interact with a variety of digital tools. Typically offered: Autumn, Spring.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %201000](https://catalog.spu.edu/course-search/?keyword=JRN%201000))

JRN 1001 Content Management for Communicators (1 Credit)

Learn to design, build, and publish a basic website using a basic content management system. This will incorporate text, sound, images, hyperlinks, plug-ins, and social media interactivity. Typically offered: Spring, Winter.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %201001](https://catalog.spu.edu/course-search/?keyword=JRN%201001))

JRN 1002 Data Literacy for Communicators (1 Credit)

This course grounds students in numeracy in order to correctly interpret and communicate numbers. Typically offered: Spring, Winter.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %201002](https://catalog.spu.edu/course-search/?keyword=JRN%201002))

JRN 2101 Media Writing (5 Credits)

Students will master the basics of journalistic writing, which are applicable to print, online and broadcast media. These skills include news judgment, leads, story organization, precise language, and proper grammar, style and punctuation. Students will cover events such as speeches, and they will learn the basics of interviewing. All skills are guided by an understanding of journalism as a discipline that requires critical thinking, clear professional values and strong ethical responsibility. Typically offered: Autumn.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202101](https://catalog.spu.edu/course-search/?keyword=JRN%202101))

JRN 2255 The Public and the Media (5 Credits)

Applies relevant theories of mass communication to significant issues of media performance informed by the historical development of industry structures, professional practices, and changing technologies. Topics include journalism in the age of print, TV and cyberspace; propaganda, persuasion, and media influence in the world of public relations and advertising; TV, cable, music, film, and controversies over race, gender, violence, obscenity, and children's programming; and emerging questions about the impact of the information superhighway.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202255](https://catalog.spu.edu/course-search/?keyword=JRN%202255))

JRN 2335 Media Representation (5 Credits)

Mass media are inescapable: we learn our world through internet, television, radio and print. This course examines how mass media communicate, and it provides criteria for assessing the quality of media content and how media frame our world and define what it means to be human. Typically offered: Winter.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202335](https://catalog.spu.edu/course-search/?keyword=JRN%202335))

JRN 2801 Newspaper Production (1-2 Credit)

Laboratory for the student newspaper, the yearbook, and other student publications. Students work under editors in a variety of production phases with access to a faculty advisor. Only 6 credits total of JRN 2801, 2802, 2803, 3930, 3931, and 3932 may be applied to the JRN track or minor.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202801](https://catalog.spu.edu/course-search/?keyword=JRN%202801))

JRN 2802 Newspaper Production (1-2 Credit)

Laboratory for the student newspaper, the yearbook and other student publications. Students work under editors in a variety of production phases with access to a faculty advisor. Only 6 credits of JRN 2801, 2802, 2803, 3930, 3931 and 3932 total may be applied to the JRN track or minor.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202802](https://catalog.spu.edu/course-search/?keyword=JRN%202802))

JRN 2803 Newspaper Production (1-2 Credit)

Laboratory for the student newspaper, the yearbook, and other student publications. Students work under editors in a variety of production phases with access to a faculty advisor. Only 6 credits of JRN 2801, 2802, 2803, 3930, 3931, and 3932 total may be applied to the JRN track or minor.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %202803](https://catalog.spu.edu/course-search/?keyword=JRN%202803))

JRN 3202 Reporting and Storytelling (5 Credits)

Journalists do more than convey information. They tell true stories, but their stories are only as good as the quality of reporting. Therefore, this course aims to develop students' skills as journalistic storytellers anchored in the discipline of reporting. Students will build their ability to research, report and write through the use of document, online and human sources. Students will also learn to utilize story forms such as hard news, features, narrative, and opinions. They will explore how to use those forms in both print and online media. Typically offered: Alternate Years.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %203202](https://catalog.spu.edu/course-search/?keyword=JRN%203202))

JRN 3203 Data Journalism (5 Credits)

Dexterity with data is increasingly an expectation of all communicators. The course focuses on the numbers side of journalism and communication. Students learn how to find data to tell stories and how to find stories in data. Typically offered: Alternate Years, Winter.
Course Schedule ([https://catalog.spu.edu/course-search/?keyword=JRN %203203](https://catalog.spu.edu/course-search/?keyword=JRN%203203))
