

VISIT AND TRANSFER PROGRAMS

You can register for the following programs through SPU agreements. If you are interested in one of these programs, you will meet with the designated contact at SPU but will register for classes through the institution you visit.

Consortium Visitor Program

You may elect to attend one of the twelve other Christian College Consortium schools on a visitor basis for one or two quarters on the Student Visitor Program. In addition to SPU, Consortium schools include:

- Asbury University
- Bethel University
- George Fox University
- Gordon College
- Greenville College
- Houghton College
- Malone University
- Messiah College
- Taylor University
- Trinity International University
- Westmont College
- Wheaton College

You are eligible for this program if you have completed one year in residence at SPU and are in good academic standing. The deadline for Autumn Quarter is March 1; the deadline for either Winter Quarter or Spring Quarter is October 1. You will file your application through the Office of the Registrar (<https://spu.edu/registrar/>).

Contact the Office of the Registrar or the Christian College Consortium (<http://www.ccconsortium.org/>) for more information.

Fashion Institute of Technology Program

The Apparel Design and Apparel Merchandising specializations offer exciting opportunities for students to earn an associate arts degree by participating in a one-year liaison program with the Fashion Institute of Technology (<https://www.fitnyc.edu/>) (FIT) in New York City.

FIT is a specialized college of art, design, business, and technology devoted to preparing students for careers in fashion and related professions. Accredited with the state of New York, FIT allows visiting SPU students to be enrolled full time at Seattle Pacific University, and — if in good academic standing — to earn both an associate of arts degree from FIT and a bachelor of arts degree from SPU by double counting coursework.

FIT offers the following one-year programs in which SPU students or graduates can participate: Fashion Business Management, Fashion Design, Communication Design Foundation, and Textile Development and Marketing

If you are considering this option, speak with your academic counselor and faculty advisor early in your academic career in order to meet the requirements of both FIT and SPU.
